-

Each candidate may prepare a voluntary Candidate's Statement which will be printed in the Sample Ballot Voter Information Pamphlet and mailed to all registered voters within the jurisdiction of that office. The candidate must pay for the actual cost of the document to be processed, including printing, translations, etc. This form will be provided by the City Clerk's Office. The candidate's statement must be filed at the same time as the nomination papers. The candidate's statement is designed to acquaint voters with a candidate's qualifications for the office they are seeking.

Disclaimer: Nothing in this section shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Voter Information Pamphlet.

A. PUBLIC EXAMINATION AND CHALLENGE OF CONTENT *EC §13313, 13314*

After the close of the nomination period, any voter of the City may seek a writ of mandate or an injunction, during the 10-calendar-day examination period, requiring any or all of the material to be amended or deleted.

Elections Code §18351 provides that any candidate for a local nonpartisan office in an election who prepares a candidate's statement and knowingly makes a false statement of a material fact with the intent to mislead the voters is punishable by a fine not to exceed \$1,000.

B. COST *EC §13307, 13309*

Candidate's statements are paid for at the time they are filed because of the many unknown factors involved in translating, printing, handling, mailing, and the number of candidates filing a statement. It is difficult to determine the exact cost for each candidate statement prior to the election. The City of Solana Beach has elected to allow no more than 400 words in the candidate's statement.

Therefore, an estimated amount will be assessed at the time of filing the candidate's statement.

Member of the City Council Districts 2 or 4 = \$2,000

As soon as possible after the close of the election, the City Clerk will ascertain the actual cost incurred by the City. As a result of providing such service, the City will bill or refund each candidate for the amount equal to a pro-rata share of all actual costs, less the deposit paid.

If a candidate elects to have a candidate statement and is unable to pay for the statement when filing their nomination paper but can pay at a later date, they may claim indigence. A statement of financial worth must be submitted, provided by the City Clerk. All claims of indigence are reviewed by the Office of the City Clerk for acceptance. If indigence is verified, the claim shall be accepted. Acceptance of a claim of indigence does NOT waive the candidate statement fees, it only allows the candidate to postpone payment for the statement until after the election.

C. PREPARATION OF THE CANDIDATE'S STATEMENT *EC §13307, 13308*

Candidates are limited to the paragraph format restrictions as explained in the Candidate's Statement of Qualifications Guidelines on the form.
