INSURANCE REQUIREMENTS

Applicant is required to purchase occurrence based Commercial General Liability (CGL) insurance covering all activities and all liabilities in the amount of \$2,000,000 per occurrence and subject to an annual aggregate of \$2,000,000.

The policy shall contain, or be endorsed to contain, the following provisions:

- The City of Solana Beach and its officers, officials, employees, agents representatives and volunteers shall be named additional insured. The status must be reflected on an additional insured endorsement, which shall be submitted to the City.
- The policy is primary and noncontributory to any insurance that may be carried by the City, as reflected in an endorsement, which shall be submitted to the City.

The name of the event, and date(s) and to be held, must be shown on the description of operations. There must be no language in the description attempting to limit liability. Coverage must be shown for activities that are commonly excluded from a typical CGL policy or typically outside the scope of coverage for a policy for one specific activity, such as a sport.

***ATHLETIC PARTICIPANTS.** If there are athletic participants, one of the following is required:

- “Participant legal liability” coverage is shown on the certificate at the required limit of coverage,
OR
- “Liability claims filed by athletic participants are not excluded under the general liability insurance” appears in the description section of the certificate.

NOTE: Participant legal liability coverage subject to signing of waiver/release is NOT acceptable.

The Risk Management department may require additional verification, different coverages or higher limits depending on the nature of activities.
