

Seasonal Donation Drives

Solana Beach Cares is a new year-round program that supports local residents through seasonal donation drives. As a City of Kindness, this initiative offers the Solana Beach community a way to come together, season after season, to directly help neighbors who could use a little extra care and support. Each seasonal drive will focus on a different theme, collecting items that reflect the most needed support at that time.

This Spring, We Care For Moms

From May 1 - June 1, the City will be collecting Mother's Essentials.

The Spring drive focuses on collecting everyday items that help make life a little easier for mom and their kids. **Suggested donation items include:**
