

SINGLE-USE PLASTICS REQUIREMENTS FOR FOOD SERVICE BUSINESSES

As regulated by the Solana Beach Municipal Code Sections 5.03 & 5.05, Food Service Businesses must comply with the following requirements:

ALLOW REUSABLE DRINK CUPS

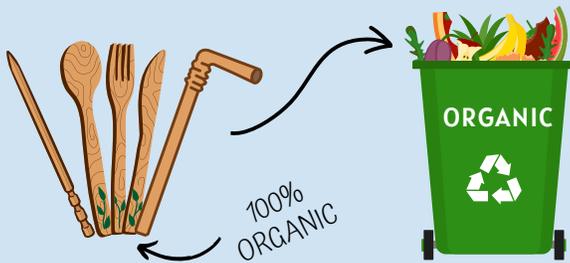

Do allow customers to use their own reusable drink cups at all restaurant and food vendor location.

ONLY UPON REQUEST POLICY

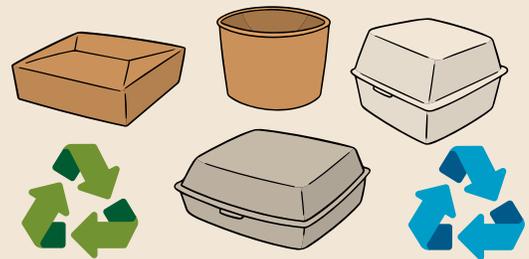

ONLY distribute single-use straws, utensils, condiments, or napkins to customers who specifically request them (in-person or via food order app).

USE ORGANIC UTENSILS

All straws, utensils, stirrers, splash sticks, cocktail sticks, & toothpicks must be wooden or other organic material that can be discarded into EDCO green organics recycling bins.

USE RECYCLABLE CONTAINERS

All to-go containers must be recyclable in accordance with EDCO's plastics or organics recycling requirements (no polystyrene foam).

ADDITIONAL GREEN PRACTICES TO CONSIDER

Use paper bags without stickers or staples for to-go orders

Use reusable foodware for onsite dining

Do not sell beverages in single-use plastic bottles

For more information about EDCO's plastics or organics recycling guidelines scan the barcode to the right or visit EDCO's website at solana-beach.edcodisposal.com
