BACKGROUND:

On May 4, 2004, the City Council adopted Resolution No. 2004-68 approving Council Policy No. 14 establishing the Community Grant Program ("Grant Program") and Application Guidelines for the Grant Program.

At the May 13, 2020 City Council Meeting, the City Council authorized the Fiscal Year (FY) 2020/21 Community Grant Program. The FY 2020/21 Proposed Budget contains an appropriation of $25,000 to fund the Community Grants Program. The City receives a $15,000 contribution from EDCO as part of the community enhancement efforts through the solid waste Franchise Agreement with the City, which is used to fund a portion of this program.

Following the approval of the FY 2020/21 Community Grant Program, Staff distributed a request for financial assistance for community grants. Staff utilized the City’s “e-blast” notification system, social media accounts (Facebook and Twitter), and the City’s website to notify the community that the request for proposals application period had started. The deadline for submission was June 11, 2020.

This item is before the City Council to review the grant applications received and to allow the applicants to make a brief presentation regarding their proposed programs.

DISCUSSION:

The community grant criteria approved by the City Council on May 13, 2020 was incorporated into the application guidelines of the “Request for Financial Assistance” document for FY 2020/21 (Attachment 1). The highlights of the application are as follows:

Application Criteria

1. Preferences will be given towards non-profits that provide services/goods to Solana Beach groups or individuals with special economic needs that are not being met in the
economic environment. These can be non-profits whose funding has been reduced or eliminated and are unable to serve the populations in need.

2. Fair and justifiable program costs (budget required).
3. Program Originality (new and unique).
5. Leverage of matching funds/resources.
6. Applicants must submit a financial conditions (Balance Sheet) statement as well as the applicant(s) revenue/expenditure statements and tax return statements for the prior operating year.
7. Completion of project between date of grant approval through May 31, 2021.
8. Grant funds are only intended for non-governmental agencies.

Qualifying Criteria for Financial Assistance

The main qualifying criteria for financial assistance under Council Policy No. 14 are summarized below:

Non-Profit Organizations

Nonprofit organizations which have officially filed as a nonprofit with the State of California and have a 501(c)3 certification must attach a copy of their current year non-profit certification form along with a Request for Financial Assistance Application. For organizations that are “recognized” nonprofits within the community but have never formally filed with the State, the City Council, at its discretion, may consider their application. It has been the practice in the past to allow applicants to submit a letter from either the Internal Revenue Service (IRS) or the California State Board of Equalization declaring the entity’s tax-exempt status for the 501(c)3 certification.

Threshold Qualifying Criteria

Request for Financial Assistance Applications are limited to non-governmental, nonprofit organizations serving the Solana Beach community. Excluded entities include the following: County of San Diego, municipal organizations, special or water districts, school districts, schools (but not their supporting organizations) and private individuals. Applicants should have a State of California non-profit status certification or be a recognized Solana Beach “nonprofit” service, civic or youth organization.

Santa Fe Christian (SFC) Schools Cooperation

Eight years ago, the City and SFC created a unique partnership to more efficiently and effectively assist the non-profit organizations that specifically serve the Eden Gardens community. This partnership, which has included a contribution ranging from $10,000 - $15,000 from SFC in past years, has allowed for both the City and SFC to maximize its limited resources to provide the most benefit for this underserved population. Staff will reach out to SFC to inquire if they will be partnering with the City again this year. Once the City receives confirmation of whether or not SFC will participate again this year, Staff will relay the information to the Council.

Community Grant Applications

TO: Honorable Mayor and City Councilmembers
FROM: Gregory Wade, City Manager
MEETING DATE: July 1, 2020
ORIGINATING DEPT: City Manager
SUBJECT: Small Business Financial Assistance Grant Program

BACKGROUND:

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into place. Included in the CARES Act is the Coronavirus Relief Fund (CRF) that provided $150 billion to states and local municipalities with populations over 500,000 based on a specified formula. On May 19, 2020, the County Board of Supervisors voted to allocate a total of $25 million of its direct CARES Act CRF to the 17 cities in the County that did not receive a direct allocation from the federal government. This funding allocation is made available provided that local cities who elect to receive this funding use it for expenditures that comply with the CARES Act CRF criteria. Among other requirements, this necessitates the expenditures be necessary due to the public health emergency presented by COVID-19. The County directed $238,506 to the City of Solana Beach (City) for this purpose.

On June 10, 2020, the City Council directed City Staff to allocate $200,000 of the County’s allocation toward a Small Business Financial Assistance Grant program to aid Solana Beach small businesses affected by the COVID-19 pandemic. Staff has developed draft guidelines and a draft application for such a program for Council consideration and direction.

This item is before the City Council to provide direction on the program guidelines and selection criteria.

DISCUSSION:

At the June 10, 2020 Council meeting, Council directed Staff to distribute $200,000 of CARES Act CRF funds to small businesses in Solana Beach affected by the COVID-19 pandemic. Grants of up to $4,000 per business would be awarded which could mean that up to 50 Solana Beach businesses could receive a grant.
The San Diego North Economic Development Council identifies small businesses as those with 20 or fewer employees. The City does not track the size of businesses through the business licensing process. However, the City does know there are 821 businesses located in the City that are not home occupation businesses. Staff cannot estimate how many of these 821 businesses have 20 employees or fewer, however, Staff has developed some additional guidelines that could be considered by the City when determining what businesses are eligible for the program.

Currently, the guidelines drafted by the City and included in the Draft Application (Attachment 1) specify that businesses must meet the following parameters to be eligible to apply:

- Have a brick and mortar storefront in Solana Beach;
- Cannot be an office-based business for whom teleworking is a practical alternative;
- Must have been ordered to close or substantially reduce services per the Governor’s Public Health Order;
- Could not have been designated as an “essential business.”

Staff would like some additional guidance to know whether additional criteria should be applied. One criteria might be to limit sole proprietors from applying if they have filed an unemployment claim with the State. An example of a sole proprietor might be a hairstylist who rents chair space in a salon, but does not own the salon and has no employees. Or, if deemed eligible to apply, should there be an alternate maximum allowed in these situations that is less than the full $4,000 approved by the Council? Since there is a good possibility that there will be more than 50 businesses applying for this grant program, Staff has looked into additional criteria that may be useful to assist with the selection of grant recipients. A program in San Marcos categorized businesses into three (3) tiers as follows and funded Tier 1 businesses first:

- Tier 1 – Independently owned businesses located in San Marcos that have been mandated by government action or decree to close or significantly alter their business activity due to COVID – 19.
- Tier 2 – Independently owned businesses located in San Marcos that can demonstrate that their businesses have been significantly affected by government action or decree but have not been ordered to alter business practices other than requirements related to size of groups in a single area and observing recommended social distancing.
- Tier 3 – Businesses that are located in San Marcos, are part of a national and/or regional franchise and have been mandated by government action or decree to close or significantly alter their business activity due to COVID-19. May also include businesses that were deemed essential but could demonstrate their businesses were impacted.

The City might have more than 50 qualified businesses apply whatever eligibility criteria is applied. Therefore, Staff would also like direction from Council regarding
how to select which 50 business should receive a grant if more than 50 eligible businesses apply. The draft application in Attachment 1 states that preference would be granted if:

- The business did not receive any other federal or public assistance
- The business is not part of a larger chain or franchise

Staff would like some additional guidance to know whether additional preference criteria should be identified in order to prioritize certain businesses that meet this criterion over others. Some examples of additional criteria could include:

- Businesses could be ranked based on financial need, but this could be a subjective process without complete information even if the business submits financial documentation
- Preference to minority-owned businesses

The preference criteria would be used to rank business such that they would move up in line accordingly if they met any of those criteria. If it is still not possible to limit awards to only 50 businesses, Staff has included further selection processes for Council consideration. These include:

- Selection by lottery
- Utilize a first-come-first-served approach
- Reduce the amount of the grant award to distribute to a greater number of businesses
- Conversely, if there are less than 50 applicants, the City could increase the grant award

Application Process

The process to apply will be via an online application. Staff will send an eBlast and place on social media accounts to advertise the program, post on the website, and coordinate with the Chamber and other business districts to communicate with its members. For those businesses unable to apply online, a form will be made available to download and print out then submitted via email. At the time of this Staff Report, the online application is not finalized and can be modified based on Council direction. Once the online version is finalized, the formatting for the version of the application to print out will be refined.

Council Sub-Committee Consideration

Finally, one thing to consider is for the City Council to form a Council sub-committee to assist Staff in assessing and allocating the grant funding. Staff has put together a draft timeline below for Council consideration, but one thing to note is that after the July 8, 2020 Council meeting, Council goes on summer break until August 22, 2020. The grant funding is much needed in the business community, so Staff recommends not waiting until August
22, 2020 to award the funding. By forming a Council sub-committee, allocations could be done much sooner and the funding could go out to the businesses much quicker.

The proposed timeline for the program is as follows:

- **July 6, 2020** - Open the Grant Program Application process
- **July 17, 2020** - Deadline for Request for Financial Assistance Applications (4:30pm).
- **July 27-Sept 30** - Grant disbursements processed by the City.
- **August 26, 2020** - All grant recipients for FY 2020-21 will be reported to City Council.
- **December 31, 2020** - All FY 2020-21 grant recipients must submit a report in the format provided by the City.

**CEQA COMPLIANCE STATEMENT:**

The discussion and/or expenditure of CARES Act CRF Funds is not a project as defined by the California Environmental Quality Act (CEQA).

**FISCAL IMPACT:**

There is no impact to the General Fund due to the use of CARES Act CRF Funds other than the dedication of Staff time. Staff anticipates that the City will disburse $200,000 of CARES Act CRF funds as directed by Council at the June 10, 2020 meeting.

**WORK PLAN:**

**OPTIONS:**

- Approve Department recommendation.
- Do not approve Department recommendation.
- Provide alternative direction.

**DEPARTMENT RECOMMENDATION:**

Staff recommends that the City Council provide direction to Staff on Small Business Financial Assistance Grant Program guidelines and selection criteria.
