A.4. Sewer and Storm Drain Maintenance and Video Inspection. (File 1040-48)

Recommendation: That the City Council

1. Adopt Resolution 2022-040:
   a. Waiving the formal construction bid process because the Request for Proposals (RFP) process provides a more efficient, effective, and convenient method for hiring a sewer maintenance contractor that would provide the higher level of service required pursuant to Solana Beach Municipal Code section 3.08.140.
   b. Approving a Professional Services Agreement with Affordable Pipeline Service, Inc. in an amount not to exceed $501,710, in Fiscal Year (FY) 2022/2023, for the Sewer and Storm Drain Maintenance and Video Inspection services.
   c. Authorizing the City Manager to execute the Professional Services Agreement on behalf of the City.
   d. Authorizing the City Manager to extend the Agreement for up to four additional one-year terms, at the City’s option, at an amount not to exceed the amount identified and budgeted for in each subsequent year.

B. PUBLIC HEARINGS: (B.1. – B.2.)

This portion of the agenda provides citizens an opportunity to express their views on a specific issue as required by law after proper noticing by submitting a speaker slip (located on the back table) to the City Clerk. After considering all of the evidence, including written materials and oral testimony, the City Council must make a decision supported by findings and the findings must be supported by substantial evidence in the record. An applicant or designee(s) for a private development/business project, for which the public hearing is being held, is allotted a total of fifteen minutes to speak, as per SBMC 2.04.210. A portion of the fifteen minutes may be saved to respond to those who speak in opposition. All other speakers should refer to the public comment section at the beginning of the agenda for time allotment. Please be aware of the timer light on the Council Dais.

The proposed project meets the minimum zoning requirements under the SBMC, may be found to be consistent with the General Plan and may be found, as conditioned, to meet the discretionary findings required as discussed in this report to approve a DRP. Therefore, should the City Council be able to make the findings to approve the SDP, Staff recommends that the City Council:

2. Find the project exempt from the California Environmental Quality Act pursuant to Section 15303 of the State CEQA Guidelines; and
3. If the City Council makes the requisite findings and approves the project, adopt Resolution 2022-049 conditionally approving a DRP, SDP, and SDP Waiver to demolish a single-family residence, construct a replacement 2,986 square-foot,
two-story single-family residence built above a 1,274 square-foot basement with an attached 448 square-foot two-car garage, and perform associated site improvements at 506 Pacific Avenue, Solana Beach.
