

LEGEND

- Solana Hills Trail Closure: Monday, January 31 to Monday, February 28
- Trail Closed for Construction: San Elijo Lagoon highway bridge and bike/pedestrian suspension bridge. Construction will be complete in May 2022.

Starting **January 31, 2022**, Caltrans and SANDAG Build NCC crews will begin grading a portion of the Solana Hills Trail and place decomposed granite surfacing. The portion of the trail is highlighted in red on the map above. The surrounding trails within the Solana Hills area and Annie's Canyon will not be closed.

Please note this section of the trail will be closed due to construction activity that will be taking place for approximately one month.
